

## Child Development

Are you interested in learning more about what is going on inside your child's brain? Increasing \* your knowledge about what developmental stage your child is at will help you discover the best ways to approach parenting them, and understand the difference between expected and unexpected behaviors at each developmental stage from birth to puberty.

**Join us for a free Parent Workshop on  
Child Development Tuesday, June 29th  
5:00 pm – 6:00 pm.**

Participants will receive a \$20 thank you gift card for attending.

Please email Liz Sheridan: [tjparentingacademy@todos-juntos.net](mailto:tjparentingacademy@todos-juntos.net) to register for this workshop at no cost.
