Todos Juntos COVID-19 Policies

All students must be pre-registered for any programs. No drop ins.

Small groups of no more than 10 students per staff member will be allowed.

Prior to entering program, staff will meet parents at vehicle.

Staff will ask parents the following onboarding questions:

- 1. Has your child or anyone your child has been in contact with had a fever, cough, chills, muscle pain, loss of smell or taste, sore throat, or difficulty breathing in the last 72 hours? If yes, they cannot leave vehicle and need to stay home for 2 weeks and have temperature checked daily before returning to program.**
- 2. Have you or a member of your household been exposed to Covid-19 or believe to have been? If yes, child needs to stay home for a two-week period. (Will not allowed to return to Jump Start)**

After asking questions, staff will use a thermal scanner to scan for temperature and check off attendance for parent. If child has a **fever greater than 100.4 degrees Fahrenheit**, child must return home

Students will be taught how to properly wash hands with soap and water for 20 seconds on first day, and will wash hands upon arrival each day of program. They will wash hands before going home, as well.

All students will have own supplies. All areas and supplies will be sanitized with approved sanitary methods per CDC Guidelines., before and after use daily. Supplies will be kept in Ziploc bags with student's name clearly marked.

During programming, if indoors, staff must wear masks or face shields at all time. If outside and social distancing can be maintained, staff may choose to remove mask but must properly use prior to re-entry.

Students need to adhere to social distancing the best they can. Young students will be taught on the first day of program what is expected, and reminders will be included in the welcoming part of program each day. Staff will go over not touching face, hand washing, social distancing, and all rules.

Student pick up: Staff will take student to parent's vehicle, check with list of approved people to pick up child, and check off attendance that they are picked up. Parents are not allowed to enter building.

Parent Declaration for COVID-19 Procedures:

I have read and understood Todos Juntos' COVID-19 procedures and will agree to abide by them in order to ensure my child's health and the health of others.
