

Please join us for a **FREE** hands-on science and literacy Family Night at Sandy Grade School!

Todos Juntos is pleased to offer a **FREE** Leap into Science Balance Workshop for all Head Start, Preschool Promise, and KG Families at Sandy Grade School. Leap into Science is a nationwide program from The Franklin Institute Science Museum that integrates open-ended science activities with children's books, for children and families to learn together.

Who? Head Start, Preschool Promise, and Sandy Grade Kindergarteners and their families.

When? January 31st, 2019 at 6 :00 pm – 7:00 pm

Where? Sandy Grade School, 38955 Pleasant St., Sandy, OR 97055

Young Scientist and families will:

- Explore the science of Balance through hands-on activities and children's books
- Have fun while learning to think like scientists!

Space is limited! RSVP By filling out form and returning to child's teacher by Jan. 25th:

Questions?? Contact: Shawna Johnson, Shawnaj@todos-juntos.net/503-341-3381
